Indiana Audubon Amazing Bird Race!

How to Play:

Like Monopoly, the Amazing Bird Race is a fun birding adventure across Indiana to locate as many birds in each family or group of bird species. Complete a group of birds and you'll be entered to win the prize assigned to each category. All birds must be seen in Indiana in 2019. The deadline to locate birds is December 31, 2019.

Use this gamecard to check off your sightings and consider logging your bird reports to eBird.com to help with Hoosier citizen science going on around the state. Use the best birding ethics when out in the field and refer to the ABA Code of Ethics for sightings that may be sensitive to disturbance.
