

INDIANA DUNES BIRDING FESTIVAL SPONSORSHIP LEVELS

The Indiana Dunes Birding Festival is hosted each May for five days in Porter, Indiana. Over 600 registered participants attend each year and an estimated 300 people from the general public attend free events hosted by the festival. Our goal at the Indiana Dunes Birding Festival is to provide an exceptional experience for people to connect with the birds and raising funds for continued conservation projects, while keeping upfront costs low for attendees. Our sponsors are crucial for us to meet this goal! *We have four different levels of sponsorship and appreciate your willingness to be involved!*
