

## DESIGNATING YOUR DONATION

Select your gift's designation from our online form's drop-down menu or choose "**unrestricted**" for flexibility in fund allocation.

### IAS General Support

When you designate your gift for general support for Indiana Audubon, you enable us to spend it immediately, where it is most needed and has the most impact.

### IAS Development Fund

The development fund contributes to the sustainability and growth of Indiana Audubon's initiatives and programs.

### Mary Gray Strategic Fund

The strategic fund provides funding for specific capital projects at Mary Gray Bird Sanctuary, such as infrastructure and facility upgrades.

### Mary Gray Endowment Fund

The Mary Gray Endowment Fund helps assure the sanctuary's long-term survival and maintenance.

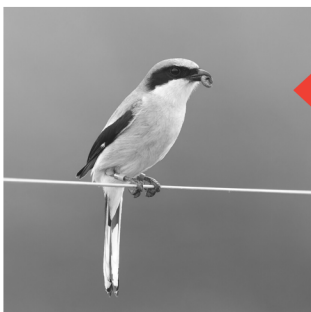

### Indiana Young Birders Network

Support a variety of activities and events that help create a supportive network for Indiana's youth and teen birders.

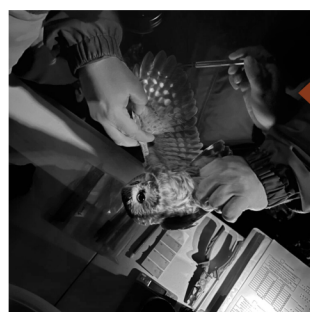

### Mumford & Keller Grant Fund

The Mumford & Keller Grant and Scholarship Program provides financial support to projects focused on bird conservation, research, and education.

### Shrike Conservation Program

The Adopt a Shrike Program funds research, habitat restoration, and educational activities targeted at ensuring the recovery of the Loggerhead Shrike in Indiana.

### Project OwlNet

Donations to Project OwlNet help us support our Northern Saw-whet Owl banding research by replacing nets, providing headlamps and batteries, and increasing other necessary supplies.

### Chasing Melody Wood Thrush Project

This pilot project begins in the spring of 2024, and donations will cover the costs of Motus tags, training, and statewide tag deployment.

### Lake Michigan Waterbird Survey Project

Back the fall 2024 count season to help us continue uncovering patterns for migrating waterbirds along Indiana's lakefront.
