Address (street, city, state, zipcode)

Explore healthy ways to explore Mary Gray Bird Sanctuary in 2024 for fantastic prizes. MGBS is a great location for mental and physical health, and we invite you to walk, hike, or run a minimum of 25 miles, while adhering to Sanctuary rules and seasonal trail restrictions.

Once you've completed your mileage, submit this form to us (MGBS Healthy Challenge, 3499 Bird Sanctuary Rd, Connersville, IN 47311) or scan and email it to mgbs@indianaaudubon.org. By doing so, you'll be entered into a drawing for valuable Mary Gray prizes, including hiking stick medallions, t-shirts, IAS membership and more. Please ensure that all forms are submitted by December 15, 2024. All participants will receive a Mary Gray Bird Sanctuary Healthy Hiking Challenge sticker just for reaching 25 miles.
